1. Pediculosis Policy and Regulation (#8454) were reviewed by the Committee. The proposed policy and regulation follow current district protocols, in the nursing handbook, to address the identification, communication and recommendations for treatment of head lice. The policy and regulation are on the April 4 Agenda for first reading.
2. The A&F Committee visited four school locations for walkthrough reviews of recent and future capital projects. The Committee began at Town Center School and traveled to High School North, Millstone River School and Community Middle School.

NEXT MEETING: April 21, 2015 at 6:30 p.m. at Central Office
